Subject: Agreement

Dear Pranshu,

Please read the Internship Guidelines and attached Internship Agreement carefully before signing. By accepting this internship, you agree to follow all company policies, confidentiality requirements, professional conduct standards, and assigned work instructions throughout the internship period. You are strictly not permitted to share, post, publish, or disclose any Company information, internal work, screenshots, documents, project details, or internship-related content on social media or any public platform without prior written approval from Go_Repireo.

Purpose of Agreement

This Agreement sets out the terms and conditions governing the Intern's internship with Go_Repireo.

The internship is intended to provide practical exposure, learning opportunities, and experience in real-world assignments, professional teamwork, and company operations.

1. ENGAGEMENT & SCOPE OF DUTIES

The Intern will support assignments relevant to the designated department. Responsibilities may include research, operations, content, marketing, outreach, customer engagement, coordination, technical work, documentation, or other role-related tasks assigned by the Company. The Intern is expected to complete assigned work responsibly, meet reasonable timelines, and coordinate professionally with the team. Go_Repireo Internship Agreement

2. WORKING HOURS, ATTENDANCE & COMMUNICATION

The Intern must maintain the agreed availability, attend scheduled meetings, remain reasonably responsive on official communication channels, and inform the reporting person in advance where an absence or delay is expected. Performance may be reviewed on the basis of reliability, quality of work, communication, initiative, professional conduct, and timely completion of assigned responsibilities.

3. UNPAID INTERNSHIP & CERTIFICATE

This is an unpaid internship. No stipend, salary, wage, equity, commission, or other monetary compensation is promised under this Agreement unless separately confirmed by Go_Repireo in writing. Upon successful completion of the internship, satisfactory conduct, completion of assigned responsibilities, and proper handover of Company work and access, Go_Repireo will issue an Internship Completion Certificate. Any future paid opportunity, incentive, commission, or employment offer, if considered, will be separate, discretionary, performance-based, and confirmed only through a new written communication from the Company.

To the extent permitted by applicable law, work products specifically created by the Intern in the course of assigned Go_Repireo duties—including documents, designs, content, code, research, databases, workflows, campaign materials, and related deliverables—shall belong to Go_Repireo unless otherwise agreed in writing. Pre-existing materials owned by the Intern remain the Intern's property and should be disclosed before incorporation into Company work.

7. COMPANY SYSTEMS, DATA & ACCESS

Company accounts, repositories, files, tools, credentials, and internal systems must remain under Company control. Passwords or access details must not be shared with unauthorized persons. 8. CONFLICT OF INTEREST

The Intern should avoid activities that create a direct conflict with assigned responsibilities or involve misuse of Go_Repireo's confidential information. Any actual or potential conflict relating to Company work should be disclosed promptly.

9. TERMINATION & HANDOVER

Either party may end the internship by providing [3 / 7] days' written notice. Go_Repireo may terminate the internship immediately in cases of serious misconduct, confidentiality or security breach, fraud, theft, harassment, unauthorized access, or material policy violation. A proper handover of pending work, files, and access is required. Certificate eligibility will depend on actual completion status and Company records.
